In an exciting mix of materials, CAMERON gives living rooms a lot of charm! The natural materials, wood and fabric provide visual warmth and create a harmonious overall picture. The decorative fabric shades in black / gold set accents and are absolutely modern. For energy-saving lighting, it is recommended to use an LED illuminant. These are an optimal alternative to conventional halogen lamps and stand for a high quality of light and energy savings of up to 80%. In addition, LED lamps help you benefit from a long service life, low heat generation and at the same time protect the environment.
