- Justerbar i højden
- Loftsmontering
- IP20
- ekskl. lyskilde

Unrivalled classicism and design! The CLOONEY three-light pendant luminaire with round canopy creates a modern luminaire with its classic design, but with a special accentuation. With an opening in the glass and its round shape, it offers a stylish appearance and pleasant illumination. The pendant light has a maximum suspension length of 150cm and a glass diameter of 20cm. The diameter of the canopy is 35cm. The smoke-coloured glass in combination with chrome-coloured, round suspension fits effortlessly into any living style and colour concept and can be combined well. For energy-saving lighting, it is recommended to use an LED illuminant. These are an optimal alternative to conventional halogen lamps and stand for a high quality of light and energy savings of up to 80%. In addition, LED lamps help you benefit from a long service life, low heat generation and at the same time protect the environment.
