Artful eye-catcher! This high-quality FLOWER ceiling light in a floral design brings glamour to your living space. Thanks to the acrylic flowers, the light provides effective lighting and not only creates an effective light pattern, but also a sparkling work of art. The light is particularly impressive as a decorative element in your living and dining area. The ceiling light consists of a chrome-plated canopy and the clear and colourful acrylic blossoms and blends easily into various interior styles. For energy-saving lighting, it is recommended to use an LED illuminant. These are an optimal alternative to conventional halogen lamps and stand for a high quality of light and energy savings of up to 80%. In addition, LED lamps help you benefit from a long service life, low heat generation and at the same time protect the environment.
