With its five rings hanging together, the VIGO light is a real eye-catcher. With its minimalist design, the ceiling light can be used in many different rooms at any time and creates an atmospheric ambience. The luminaire also has a SWITCH dimmer, allowing the brightness to be adjusted from 100% to 50% and 25% using a conventional light switch. The modern ceiling light has a width of 90 cm and a height of 15 cm. Thanks to the anthracite colour scheme, the light can be combined with many furnishing styles. In addition, the luminaires feature modern LED technology, which stands for a high quality of light. LED light sources are characterized by a long service life and low heat generation.
