A timeless design with clear lines and elegant shapes defines the JORA ceiling light. The integrated features allow the brightness and light colour to be conveniently adjusted from warm white to cool white by remote control. Alternatively, the brightness can be set in 3 levels (25%, 50% and 100%) using a conventional light switch. The additional sleep timer function switches the light off automatically after a preset time, making the JORA a perfect ceiling light for the bedroom. The integrated night light and memory function round off the light perfectly. Create a lighting ambience with the JORA that can be modern, functional and cosy! Thanks to the modern design and the colour combination of matt white and matt black, the ceiling light brings a unique play of light into your feel-good zone. In addition, the luminaires feature modern LED technology, which stands for a high quality of light. LED light sources are characterized by a long service life and low heat generation.
