Create highlights. The large HIKARI ceiling light with trendy starlight cover provides individual lighting effects and pleasant illumination for your living space. Using the integrated SWITCH dimmer, the brightness can be adjusted in three stages (100%, 50%, 25%) with a conventional light switch and can therefore be used to create different lighting moods. The white colour scheme blends in wonderfully with various furnishing styles, creating harmony and a harmonious overall impression. In addition, the luminaires feature modern LED technology, which stands for a high quality of light. LED light sources are characterized by a long service life and low heat generation.
