

Spot

ANTIBES – R80173007

excl. 3x E14 · max. 28W

Funktioner:

- Loftsmontering
- ekskl. lyskilde

The ANTIBES spotlight series impresses in matt nickel with chrome applications and alabaster glass, which ensures shadow-free and glare-free vision. You can choose between a single or multi-flame version. The individual spots can be individually aligned so that different living areas or elements can be emphasised by directing the light beam. Depending on the size of the room, three, four or five-flame versions are suitable for illuminating the entire living space. The three-light roundel is only suitable for ceiling mounting and has a diameter of 22 cm. All commercially available light sources with an E14 socket and max. 28 watts can be used.
