

Spot

ANTIBES – R80171007

excl. 1x E14 · max. 28W

Funktioner:

- ekskl. lyskilde
- Væg- og loftmontering

The ANTIBES spotlight series impresses in matt nickel with chrome applications and alabaster glass, which ensures shadow-free and glare-free vision. You can choose between a single or multi-flame version. The individual spots can be individually aligned so that different living areas or elements can be emphasised by directing the light beam. The single and double-flame versions are perfect as additional lighting. They serve as decorative or orientation lighting and can provide individual lighting accents in the living room or hallway, for example. The single-flame spotlight is suitable for wall and ceiling mounting and has a width of 11 cm and a height of 17 cm. All light sources with an E14 socket and max. 28 watts can be used.
