

Gulvlampe

GERRY – R40063108

excl. 2x E27 · max. 18W

excl. 1x E14 · max. 10W

Funktioner:

- Fleksibel
- IP20
- ekskl. lyskilde
- Separat omskiftelig
- Kontakt

Simple design and timeless modernity. The GERRY floodlight offers numerous application and combination options. Ideally, the luminaire should be positioned next to the sofa, as a flexible reading arm ensures the best possible lighting result in addition to the ceiling washlight as the main light source. This can be directed in a targeted manner so that the desired light pattern can be freely selected. The floodlight has a height of 180 cm and a diameter of 34 cm. Thanks to the classic colour design in matt brass, the light can be combined with many furnishing styles. For energy-saving lighting, it is recommended to use an LED illuminant. These are an optimal alternative to conventional halogen lamps and stand for a high quality of light and energy savings of up to 80%. In addition, LED lamps help you benefit from a long service life, low heat generation and at the same time protect the environment.

Farve og materiale:

Farve: Messing måtte
Materiale: Metal

Glas:

Farve: hvid
Materiale: Glas

Dimensioner:

Højde: 180 cm
Diameter: 34 cm
Vægt: 6,9 kg
