A pinch more cosiness thanks to the COLETTE floor lamp. With its stylish fabric shade, the three-legged floor lamp creates a cosy island of light that invites you to linger. COLETTE can be used as a reading light next to the sofa or as a stand-alone style element in the hallway, living room or bedroom. As a practical extra, the lamp has a small shelf for decorations or everyday objects such as a book. The modern colour combination of coffee-coloured metal legs and a fabric shade in black and gold is very popular. For modern and reliable lighting, the use of an LED bulb is recommended. It offers a high quality of light, is versatile and convinces with uniform illumination. Its long service life and low heat generation make it the ideal choice for a wide range of applications.
