The RICARDO mobile LED rechargeable lamp combines design and functionality and is the ideal companion wherever light is needed. The downward and upward directed, glare-free light bathes any environment in a soft, atmospheric ambience. The integrated touch function can be used to adjust the light intensity in three brightness levels to suit the situation. Thanks to its IP54 protection rating, it is also suitable for outdoor use. Its minimalist mushroom design and vibrant red colour make the table lamp an eye-catching decorative element. In addition, the luminaires feature modern LED technology, which stands for a high quality of light. LED light sources are characterized by a long service life and low heat generation.
