The exciting combination of the materials velvet and metal guarantee an eye-catcher. The MARY table lamp appears in an elegant as well as eye-catching face design and thus attracts all eyes. The table lamp can be used in many ways, e.g. as a bedside lamp in the bedroom or on the chest of drawers to create decorative accents. A warm and soft light is emitted via the cylindrical lampshade, which underlines a pleasant light atmosphere. A cord switch also makes it convenient to turn the light on and off. The eye-catching colour design of the metal head in gold and the matching textile shade in beige make the lamp a modern and handsome living element that is a joy to behold. For modern and reliable lighting, the use of an LED bulb is recommended. It offers a high quality of light, is versatile and convinces with uniform illumination. Its long service life and low heat generation make it the ideal choice for a wide range of applications.
