

Bordlampe

PINGPONG – R5220-07

excl. 1x E27 · max. 25W

Funktioner:

- Kabelafbryder
- ekskl. lyskilde

Small lights really big! Whether as a bedside lamp in the bedroom, on the chest of drawers, the desk or on the small side table in the living room, the small lamps are also a real piece of jewellery during the day, just like the PINGPONG globe table lamp. The lamp has a diameter of 20 cm and can be conveniently switched on and off using the cord switch. The light is kept in a simple opal white colour. For energy-saving lighting, it is recommended to use an LED illuminant. These are an optimal alternative to conventional halogen lamps and stand for a high quality of light and energy savings of up to 80%. In addition, LED lamps help you benefit from a long service life, low heat generation and at the same time protect the environment.
