PRINCESS – R52551907

incl. 1x SMD, 3W · 1x 250lm, 3000K

Funktioner:

- 4 niveauer Touch funktion

The PRINCESS table lamp creates a cosy ambience and also acts as a decorative element. The simple luminaire is easy to integrate and looks elegant on either side of the sofa or bed, creating harmony in the room. The integrated 4-way touch dimmer on the base of the lamp can be used to gradually adjust the brightness and thus adapt the lighting accordingly. The table lamp has a diameter of 10 cm and a height of 13 cm. The table lamp has a base in matt nickel and a round, white glass that emits an even light. In addition, the luminaires feature modern LED technology, which stands for a high quality of light. LED light sources are characterized by a long service life and low heat generation.
