The stylish CUP II table lamp is a real eye-catcher that can be used in a variety of ways at the same time. The lamp has a practical touch function that allows you to switch the light on and off simply by touching it. Placed next to the bed or on a chest of drawers, the lamp creates a cosy ambience. The rust colour scheme combined with the white glass creates a sophisticated and elegant effect. For modern and reliable lighting, the use of an LED bulb is recommended. It offers a high quality of light, is versatile and convinces with uniform illumination. Its long service life and low heat generation make it the ideal choice for a wide range of applications.
