The BERRY table lamp is characterised by its timeless, modern design. The table lamp can be individually adjusted thanks to its simple shape and flexible neck for targeted light direction. This makes BERRY ideal as modern and functional desk lighting. The table lamp has a maximum height of 36 cm and a maximum projection of 25 cm. The discreet, white colour scheme allows it to be combined with various furnishing and colour concepts. In addition, the luminaires feature modern LED technology, which stands for a high quality of light. LED light sources are characterized by a long service life and low heat generation.
