Bright and trendy! The small COBRA table lamp impresses with its light output. It makes your work at your desk easier or makes a great accent light. A convenient touch dimmer has been built in for a particularly cosy lighting effect. This allows you to adjust the brightness to suit your individual needs. The light has a height of 32 cm. The titanium-coloured design also leaves plenty of scope for combining with existing interiors and colours. In addition, the luminaires feature modern LED technology, which stands for a high quality of light. LED light sources are characterized by a long service life and low heat generation.
