The KIKO table lamp is the perfect light source. The small table lamp is not only ideal for use on the desk, but also on the bedside table next to the bed or on the chest of drawers to create the right lighting mood. The neck can be flexibly adjusted for ideal light alignment. The switch on the base of the light makes it easy to switch on and off. The minimalist design and titanium colour scheme ensure perfect integration into existing interiors. In addition, the luminaires feature modern LED technology, which stands for a high quality of light. LED light sources are characterized by a long service life and low heat generation.
